BEYOND THE PROGRAMME

DRIVING FOR CHANGE
Our Driving for Change initiative transforms iconic London double-decker buses into mobile support hubs. These buses travel to key boroughs in London, providing life-saving and essential services to the most vulnerable, such as:

Access to NHS and oral healthcare
Hairdressing services
Financial inclusion support
Social services and much more

COFFEE THAT FUELS CHANGE

CHANGE PLEASE: COFFEE CHANGING LIVES

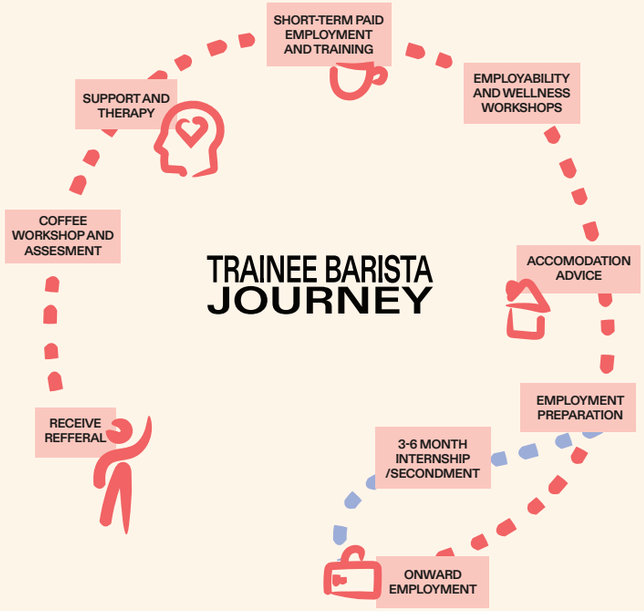
Change Please is a certified B-Corp social enterprise dedicated to tackling homelessness through employment and great tasting coffee. Every cup of coffee you enjoy helps change lives—100% of profits go towards training people experiencing homelessness to become baristas. We support them with living wage jobs, accommodation advice, therapy, bank accounts, and onward employment opportunities, empowering them to turn their lives around.

OUR JOURNEY

Our impact began in 2015 with a single coffee cart in Covent Garden, London. Since then, we've opened the Change Please Training Academy in Peckham and now operate 10 coffee bars across London. We've also brought training to Manchester, Birmingham, Milton Keynes, Dublin, and Glasgow, with new locations opening every year.

EMPLOYABILITY

Employment is one of the most effective solutions to homelessness. That's why we focus on equipping our trainees with the skills and confidence they need to secure onward employment. We partner with our fantastic Corporate Partners to create career opportunities after our programme.



SUSTAINABILITY

We are committed to sustainability in every part of our business, from ethically sourced coffee to eco-friendly practices. Every sip makes a difference for both people and the planet.
