# EMPOWERING LIVES THROUGH BARISTA TRAINING

"I had an interview with Change Please and my life has changed completely. The people, the job, it ticks all my boxes, puts a smile on my face and I actually want to wake up and go to work. The job has helped me a lot with my confidence and mental health. Change Please doesn't just give you a job, they make sure you have everything else you need to make you good at your job". **Keira, Graduate.**
